Dear Mrs Dr. Cao

About two years ago my girlfriend and I discovered the Meishan-Herb-Tea during a cure in Bad Pyrmont. Since this time we are delighted by its purifying effect and we are drinking some cups of this tasty tea daily. I could even inspire my sister of the effect of the Meishan-Herb-Tea. We order now together and use the advantages of shipment and aggregated rebate. The Tea gives me the power to manage my everyday pressure (care of some relatives). I recommend this wonderful tea with pleasure.

Yours sincerely
